Family Rights and Privacy Act

In compliance with the Family Educational Rights and Privacy Act of 1976, (P.L. 93-380, section 513), as amended (P.L. 93-568, section 2), information classified as "Directory Information" may be released to the general public without the consent of the student.

Tyler Junior College hereby designates the following student information as public or Directory Information: Name, address, telephone number, dates of attendance, class, previous institution(s) attended, major field of study, awards, honors (includes Dean's list), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), date and place of birth.

A student may request that the above Directory Information be withheld from the public by making written request to the Registrar's Office during the first 12 days of class of a fall or spring semester or during the first four days of a summer session. If no request is filed, information will be released upon inquiry. A new form for nondisclosure must be completed every fall, spring and summer session term enrolled. Tyler Junior College assumes that failure on the part of any student to specifically request the withholding of Directory Information indicates individual approval for disclosure.

What Every Veteran Student Should Know

Veteran students and qualified dependents should be aware of the following facts:

When to Apply

You must apply for benefits **each semester. Nothing is automatic.** All forms and assistance are available on campus from Veterans' Services located in the Registrar's Office.

A veteran or qualified dependent **must be a registered student** before forms can be submitted to the Veterans Administration Regional Office for application for benefit payments. Evidence of enrollment must be furnished to the Tyler Junior College Veterans' Services **each enrollment period** in order for benefit payment to continue.

Students will be certified only for courses outlined in their degree objective approved by the Veterans Administration.

Course Changes

Course changes (drop-add) must be in compliance with requirements of the degree objective specified to the Veterans Administration. Each veteran (and qualified dependent) is responsible for notifying Veterans' Services of any changes in his/her schedule during the drop-add period and any changes thereafter. Failure to do so does not relieve the student of responsibility to report to the Veterans Administration or for any possible liability for overpayment which may be created.

Non-Completion Grades

V.A. regulations state that veterans (and qualified dependents) who drop classes after the drop-add period may be liable for **overpayment retroactive to the beginning of the semester.** Students who receive a grade of "W" (withdrawal or drop) or "WF" may be liable for overpayment back to the beginning of the semester, exception being for mitigating circumstances established by the Veterans Administration.

Satisfactory Grades

Satisfactory grades must be maintained in order to assure continued qualification for V.A. educational benefits.

Concurrent Enrollment

If you are concurrently enrolled in another institution, you must notify Veterans' Services in order for necessary paperwork to be submitted for correct receipt of benefits.

Transfer Students

Transfer students must furnish transcripts for previous enrollment in order that proper credit may be granted toward the degree objective designated to the Veterans Administration.

Repeating Courses

Veterans or qualified dependents may be certified for repeating a course if the

grade previously earned does not satisfy graduation requirements and overall progress is satisfactory.

Continuing Education/ Community Service

You Never Outgrow . . . The Need To Know

However you look at knowledge — even taking into account our desire to know more and more about a wider variety of subjects — information is still expanding at a greater rate than our ability to keep up with it. To help you in our community bridge the gap and satisfy your desires and needs for more knowledge, the Tyler Junior College Continuing Education/Community Services Office offers community service programs with both avocational and vocational courses.

Enrollment is open to any person 17 years of age or over regardless of education background. A minimum of 15 students may begin a class.

Instructors of Continuing Education/Community Service classes are chosen from leading businessmen and businesswomen, professional educators, and recognized sports and hobby enthusiasts.

Courses not Listed — The Continuing Education/Community Service Office at Tyler Junior College can assist in developing classes or seminars for individuals, businesses or industries. Call us for additional information. Telephone: 214/597-1536.

Registration, Come in Person

Register early to be sure of a place in the class of your choice. Early registration often prevents cancellation of a class with light enrollment. You may register in person at the Continuing Education/Community Services Office, 402 West Front Street, during regular business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday. We cannot accept registration by telephone.

or Use the Mail

You may enroll in most classes by mail until one week prior to the first class meeting. Select your course(s), complete one registration form per course (copies accepted) and mail to:

Continuing Education Office
Tyler Junior College
Powell Building, 402 West Front Street
Tyler, Texas 75702

Enclose a check for course fee(s) made out to Tyler Junior College. Please do not send cash through the mail.

Please note — Acknowledgement of registration is **not** made until the first class meeting. Your instructor will give you your receipt. If you enroll by mail, please mark your calendar for the class starting date. Enrollment in some classes is limited, and mailing of fees does not guarantee a place in a given class. If the class is full when we receive your registration, you will be notified.

All Class Registration is on a First Come, First Served Basis

You may register in the classroom 30 minutes prior to the beginning of the first class meeting on a space available basis. Late registration will be accepted only when space is available.

Some courses require special registration procedures. For complete information on a course, call the Continuing Education/Community Services Office at 214/597-1536.

Class Cancellations

Tyler Junior College reserves the right to cancel, combine or divide classes, to change the time, date, place or course offerings, and to do so without incurring obligation. The College may discontinue a class at any time if attendance fails to meet expected levels.

When a course is being cancelled, every effort will be made to telephone students before the first day of a course.

Fee and Refund Policy

The student will receive a full refund if a class is cancelled by the College. Students withdrawing before a course begins or anytime prior to the third scheduled class meeting may receive an 80% refund. In order to receive an 80% refund, request for withdrawal must be made prior to the third class meeting, in person, at the Continuing Education/Community Services Office. The original receipt is necessary in order to process all refunds.

Books and Supplies

Most courses will not require textbooks; however, because of the nature of the subjects some courses will require textbooks and/or supplies. You will be notified of the need for texts and other materials at the first class meeting.

The Continuing Education Unit

Participants in the specified courses conducted by Tyler Junior College are awarded "Continuing Education Units." In approved courses, you receive one unit for each 10 hours of participation with decimal units given for less than 10 hours.

The awarding of the CEU is part of a national movement to provide records for participation in non-credit continuing education activities.
